Incorporation? Transportation? And Roads!

Sewers, transportation and incorporation all came in for their share of discussion at the meeting of the Civic Affairs Committee of the Orinda Association held at the Fire House Monday evening.

It was voted that the Central Contra Costa Sanitary District be contacted and that a committee be set up to work with the District Board on problems coming up with the approaching construction of lateral sewer lines throughout Orinda.

WARNING SIGNS

Specific notice is being served the Sanitary District that streets torn up for such construction should be left open to at least one way traffic if possible.

Adequate warning signs both day and night, marking manholes and ditches under construction will also be asked.

It was suggested that a committee of local people work with the District to help draw up a street plan whereby no area in Orinda will be inaccessible to traffic.

TRANSPORTATION

The transportation problem which will face Orinda in the future was discussed at length, the general concensus being that this locality will need more than highway buses to adequately serve the growing community.

Chairman Marvin Bonds, pursuing this line of reasoning, questioned the Association on meeting with organizations of Lafayette, Walnut Creek and other towns with the thought of investigating the possibility of inviting the Key System to bring feeder lines into this area in the future.

FRANCHISE QUESTION

Investigation of franchise problems in connection with the present service of Greyhound buses, and Public Utilities Commission consent to such transportation lines would be a necessary part of any plans for future action on the matter, it was pointed out. A. W. Elkinton was assigned to investigate further on the bus situation.

Raising of the question of possible future incorporation of Orinda was met by Bond's statement, "Admittedly people are not interested now if such a move would cost them money."

IN THE FUTURE

The meeting was in agreement with the opinion expressed by Mrs. Ernest Spiegl, "Ultimately Orinda will become incorporated."

Members of the Committee thought it would be worthwhile to make a casual study of this matter.

Mrs. Ernest Spiegl was commissioned to invite Dr. E. B. Reid, an expert in the field, to address the next Committee meeting on the pros and cons of incorporation.

Danger of Open Wells Discussed By Civic Affairs

The presence of potentially dangerous open wells in the Orinda area was disclosed at a meeting of the Civic Affairs Committee of the Orinda Association held Monday evening.

Chairman Marvin Bonds has requested that any residents of Orinda knowing of open wells in their vicinity call the Orinda Fire Department with the facts.

The information will then be turned over to the Committee for further action.

One well was said to be located within a block of the new Glorietta School. This possible death trap was supposed to be about 6 feet in diameter, only partially fenced off and covered with broken down wire and boards.

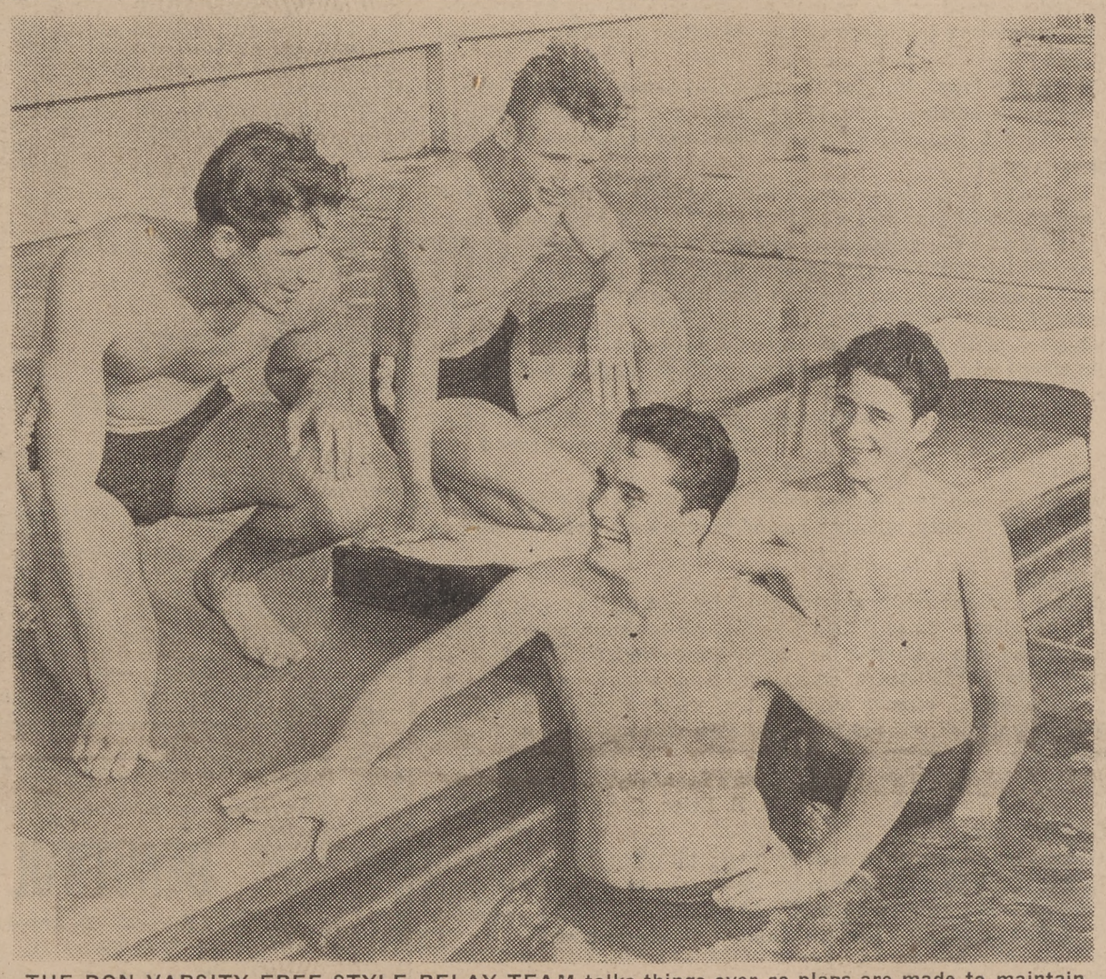
Another danger spot, reported by Mrs. J. Sullivan, is in the vicinity of El Toyonal and Vallecito Lane.

There are reputedly many old wells in this area, most of them so old and debris covered they have been forgotten and form a possible hazard to the unwary child or adult venturing near.

Grammar School Plans Open House

Orinda Grammar School will hold an open house on Wednesday evening in honor of Public Schools Week. Work which the children have done during the year will be on display and the teachers will be present to meet all friends and parents of the children.

Refreshments will be served by Mothers Club. Kindergarten will be in charge of refreshments, and room mothers Mrs. C. L. Ward, Mrs. Fred von Guenthner and Mrs. Herbert Hauser, Jr., will be chairmen.



THE DON VARSITY FREE STYLE RELAY TEAM talks things over as plans are made to maintain Acalanes' record of conference swim wins. Prospects for copping this year's title must be good judging by the smiles of (kneeling, left to right) Keith Endersby, Jim Harris, (in the water), Tom Roemer and Drury Reynolds. (Photo by Mattson.)

Orinda Tax Association Formed

Property owners in the Orinda district are urged to attend a meeting to be held for the purpose of forming a Taxpayer's Association at Orinda Fire House Wednesday at 8 p.m.

Alarmed at recent increases in the Orinda tax rates which are now greater than those of several large Bay cities, a preliminary meeting of interested taxpayers held earlier this month led to the plan for an organization which will watch the tax trends and investigate the reasons behind the higher rates.

Lyle York, acting head of this interested group, will be assisted by those who attended the preliminary meeting, George Horton, William Boies, Julian Unruh, O. B. Miller and Stuart Davis.

Over 50 Exhibitors Will Show Hobbies

Plans are going forward rapidly for the Hobby Show sponsored by Orinda Mothers Club, which is to be held April 29 and 30 at the Nathan Gray home, 2 Spring Court.

Even if you have no interest in arts and hobbies, the Grays' beautiful yard and lovely new garden house are well worth going to see. The show will be held in the garden house, two patios and the yard which is well known for the beautiful water falls which Mr. Gray has built. Anyone with a side hill to garden should certainly take advantage of this opportunity to see the Gray yard.

ARTISTS WILL EXHIBIT

There will be over fifty exhibitors at the show, and among those not already announced are Jack Galliano, Carlton Moore and Bion Atkinson, all artists of note. Galliano designed the cover for the program of the last Rose Bowl Game and Mr. Atkinson has his own studio in San Francisco.

Howard Whipple of Berkeley will show his beautiful boxes of inlaid wood, each box with its own history. Whipple will be on hand to tell us of this interesting hobby. One of his boxes is made from wood from Hitler's bed.

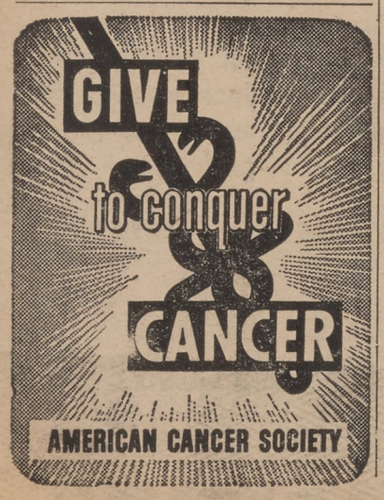
Mrs. Meadows, who is on the staff of the Berkeley schools, will be present to demonstrate finger painting.

UNUSUAL HOBBIES

Mrs. A. E. Davis of Stone Valley, Alamo, will display her interesting and unusual collection of buttons. Susan Clough will show her beautiful water colors and oils. Frank Kales will be on hand to show his trained falcon.

Bobby and Peter Harrison, students at the Orinda Grammar School, will display flies which they have tied themselves. Peg Keesling will show some examples of her weaving skill. She wove the material for a shirt and overcoat for her husband, and these will both be on display. Leather work, including purses, bill folds, belts, brief cases, etc., will be shown by Margaret Fisher, Katherine Pettengill and Peg Keesling.

Peg North will display beautiful tole trays and chairs which she has made and Marian Devin will bring her Japanese prints which the Devins collected during their stay in Japan a few years ago.



Easter Bunny Was There Too

Everyone was sure the Easter bunny had really been to the Orinda Grammar school last Saturday, for as the children left after the special show, they were each given a fluffy yellow marshmallow chicken.

There were two birthday parties attending the show. Johnny Dodge, who was 9, brought his guests. And Paul Colin from Lafayette attended with his many friends. Pictures have been taken of the different birthday parties and if any mothers want prints they should call Helene Klement, Orinda 2815.

This Saturday's show is a mystery comedy "How doooo you do," with special emphasis on the second word. Bert Gordon has the leading role and should be good for many a laugh.

Darrell Courtright will be celebrating his 6th birthday by bringing his guests who will be Tom Dexter, John Coates, Rodger Hoyer, Marc Littlejohn, Billy Denhart, and Craig Goldstein.

Everyone certainly missed Tommy Klement who has been such a helpful usher and "handyman." He was in the hospital with a leg injury which is an awful way to spend Easter. Hope to see you next week, Dinger!

Garden Tour Is Huge Success

Although final reports as to the total number of participants in the Orinda Garden Club's Spring Garden Tour held Wednesday have not been made as yet, it was reported that 800 tickets had been sold by the morning of the tour, and many more were purchased at the gardens on the itinerary.

According to Mrs. Alden Macomber, publicity chairman, the day was perfect for the event and the gardens were at the peak of perfection.

Four members of the Highway Patrol were in charge of the parking and traffic direction, and special mention was made of the splendid co-operation of Boy Scouts of troops 200 and 207, who assisted the officers.

Besides the number of luncheons in private homes, with hostesses and guests enjoying the Tour during the day, reports from Orinda Country Club are that about 250 persons were served there at a special luncheon.

Advice Given to Prevent Burglary

If you plan to be away from home, this bit of advice from the Civic Affairs committee of the Orinda Association should be helpful in keeping you off the growing list of burglary victims.

1. Notify your neighbors prior to going away.

2. Upon discovering burglary or other criminal action, immediately notify the Sheriff's office.

3. When you leave at night, leave lights on in two or more rooms (not the same each time. Avoid a pattern) and lock all outside doors and windows.

4. Make arrangements before leaving to have papers picked up daily or any other "notice" that the family is away.

Local Cattleman Shoots 3 Dogs in Happy Valley

The area's "Dog War" broke out again about 5:30 p.m. Wednesday when three valuable pets were shot and killed; one of them before the eyes of two horrified 10-year-old children.

Latest canine casualties to be added to the growing list are two Irish setters belonging to the C. P. Pond family on Happy Valley Road and a boxer owned by their neighbors, the C. F. Dailey family.

DIDN'T SEE CHILDREN

A. Ginochio, also of Happy Valley Road, said in a statement to the SUN that he shot the dogs because they were chasing cattle on land he leases from the Water Company. Ginochio said that he "didn't see any children" when he shot the dogs. He added that dogs had been damaging his livestock for some time; that he had two steers crippled by dogs and that he had had to kill two steers which had dropped from exhaustion after being chased by dogs recently. Ginochio said that when he shot the dogs, he did not know who owned them.

The children of the two families were playing in the Pond driveway, according to Mrs. Pond, when they heard two shots fired only a short distance up the road and around a curve. Patsy Dailey and Michael Pond, ten-year-olds, ran up the road to investigate.

THIRD SHOT

They saw 'Tara," one of the Irish setters, and frantically called her to come to them, but a third shot rang out and the dog dropped dead, Mrs. Pond said.

The children reported to Mrs. Pond that a man had shot Tara. They did not know that all three pets lay dead on the hillside, according to Mrs. Pond.

Mr. Pond and Mr. Dailey made a preliminary investigation of the affair and then called the sheriff's office for an investigation.

Deputy sheriffs Hinckley and Gallamore, investigating officers, according to the District Attorney's office, made their investigation yesterday evening.

NO REPORT

After contacting three people in the sheriff's office, the SUN could get no information in regard to the affair except that: (1) Inspector Norman Wilson, who is in charge of the case, is "out of town" and (2) No written report is available at this time (almost 24 hours after the investigation).

LOOK FOR CATTLE

According to Mrs. Pond, neighbors in the area who went to the scene of the shooting, saw no livestock in the vicinity. Mrs. Pond added that Ginochio had stopped by the Pond home recently while searching for cattle and had admired the dogs and asked if either of the setters were for sale.

Deputy District Attorney Henning, when contacted, said that his office is awaiting a report from the sheriff's office before making any decisions in regard to the affair.

Reward Out For Cattle Rustlers

Cattle rustlers descended upon the Pereira Ranch on Bear Creek Road in Orinda Saturday night and shot a 1000 pound cow, drug the carcass to the highway where they crudely butchered the animal.

Frank Pereira, who reported the rustling, stated that a $250 reward has been posted for the arrest and conviction of the guilty parties.

The remains of the cow were discovered on Sunday by one of the ranchhands while riding range. The animal had been shot through the head and drug about 100 feet before being butchered. The butchering was evidently done with an axe, Pereira said, and the area is isolated so that no one heard the shot. There was a horseshoe brand on the hide.

Pereira asked that anyone noticing suspicious handling of meat or cow hides please notify the sheriff's office in Martinez.

More Red Cross Sectors Report

Mrs. Robert Bennett reports that Orinda has gone over its goal in its annual American Red Cross drive having banked as of April 15, $3,271.25. Sectors giving their final reports this week are:

Sector 17: Captain, Mrs. Horace Breed who, working alone, collected $88.50; A portion of Sector 13: Mrs. Albert Everson, captain, and her workers, Mesdames D. M. Oakley, G. R. Thompson and V. J. Westerfield collected $97.50. Sectors 20 and 21: captain, Mrs. Fred Kronke, assisted by Mrs. Conda contributed $77.50. From Sector 2, Mrs. King Wilkins and Mrs. Harold Martin collected $84.50.

Sector 12, captained by Mrs. Joe Cotton assisted by Mesdames G. Chester Brown, William P. Mott, Norman Ketsdever, Clyde Bumgarner, and J. H. Gardner contributed $113.50. Sector 7: Mrs. Edgar Stewart, captain, turned in $106.00. From Sector 25, captain, Mrs. Ruth Wise and workers Mesdames Abe Doty, E. V. McNamara, C. A. Hards and Mary Ellen Hicks, $195.50 was collected. Mr. and Mrs. Carl Miller and Mrs. R. Paxton collected $40.50 from the 18th sector.

Sector 10, captain, Mrs. Robert Spott and assistants, Mesdames P. K. Tarrington, Muriel Duclos, John Pearson and Helen Rankin, collected $77.50. From Sector 9, captained by Mrs. C. A. Winrod who was assisted by Mesdames H. Biederman, A. M. Murphy, and G. M. Trimble, Jr., the amount collected was $70. Sector 27, with Mrs. R. Ready, captain, and her assistant, Mrs. Margaret Richards, contributed $31.50.

From Sector 4, the captain, Mrs. Leighton MacGregor and her workers, Mesdames Andy Blalock, Kenneth Stringer, Robert Diehl, Bradshaw Harrison. O. A. Carlson, W. E. Friberg and E. W. West collected $399.50. Sector 6, with Mrs. David Wallis captain, assisted by Mesdames Dorothy Lamb, R. W. Rochester and William Kilgo, contributed $93.50.

Some sectors have been delayed in presenting their final reports due to the illness or absence of some of the workers.

Mrs. Bennett says that a sector was determined by its geographical boarders and does not indicate its size or the number of its residents. By next week Orinda's complete Red Cross contribution for 1949 will be known.

Concert Assoc. In Membership Drive

Beginning May 16, a week-long membership campaign will be held by the Community Concerts Association, whose directors met recently. According to Frederick Freeman, board chairman, the expected goal will be reached within the first two days because of the successful concert series recently completed.

Persons desiring membership in the organization which plans an even better concert series for next season may leave payments at the temporary receiving headquarters in the P.G.&E. office, Walnut Creek, on the campaign's opening date.

Advance sales of season memberships is designed to obtain outstanding performers, it was explained. Season memberships cost $6.

SIGMA PI DANCE

Sigma Pi fraternity members of University of California will be hosts at a dance to be given at Orinda Country Club tonight (Friday).

Second Firehouse Plans Underway

Plans for a second fire house in Orinda Fire Deparmtent were disclosed when the board of commissioners took an option on two acres of land near the intersection of Moraga Highway and Orchard Road.

Negotiations for purchasing the land owned by the Moraga Company are now under way and actual construction of the fire station will be considered later, according to Gilbert Earle, board member.

The proposed auxiliary fire station would provide closer coverage for the area south of the Crossroads and the installation would make for more advantageous compliance with Board of Fire Underwriter specifications, Earle said.

Two additional firemen will be hired at the main firehouse in the Village for temporary employment during the summer months when hazards increase, according to the commissioner. Chief Everett Wyat is processing applications.

Pre-School Registration Day Set for May 2, 3

Mr. Joseph Sheaff has announced that there will be a pre-school registration for next year at the Orinda school May 2 and 3. This is for children not now attending school and who will enter either kindergarten or first grade next year. Birth certificates must be presented.

The school board and Mr. Sheaff will appreciate everyone registering at this time if possible, as it helps in the planning of next year's classes.

Orinda Welcomes New Rotary Club

THE SUN extends a cordial welcome to the newly-chartered Rotary Club of Orinda. To its officers and members we offer our congratulations for bringing Orinda into the world-wide Rotary family. We offer, too, our approval of these Rotary objectives, to which members of the new Club subscribe:

1. The development of acquaintances as an opportunity for service;

2. The fostering of high ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society;

3. The application of the ideal of service by every Rotarian to his personal, business, and community life;

4. The advancement of international understanding, good will, and peace through a world fellowship of business and professional men united in the ideal of service.

We look for great things from our new Rotary Club. Within the Club will be built warm friendships and understanding among men representing the various businesses and professions. On that solid foundation, the Rotarians will undertake activities — based on Rotary's "service" ideals — which will promote high standards in business and professional life, make the community a better place in which to live, and contribute to the formation in our community of an informed viewpoint on world affairs.

County Takes Lead In Population Gain

Central Contra Costa County has taken the lead in most rapid growth and in increased school enrollment according to a survey completed for the Contra Costa Junior College trustees.

The new population trends show that the most rapid growth area has shifted from the Western to the Central section of the county. A rising birth rate and migration were cited as a primary cause for the increased school enrollment.

ACALANES DISTRICT

Population growth within the Richmond Union High Schol District in 1948 was 290 percent over that of 1940. In Acalanes High School District, the increase was 260 per cent and in Mt. Diablo High School District, 144 per cent.

Between the present and 1960, the report disclosed that "the greatest growth is expected in the Acalanes and Mt. Diablo Districts, with smaller proportionate growth" in the San Ramon Valley, Brentwood, Antioch, Pittsburg, Crockett, Martinez and Richmond areas.

ESTIMATE

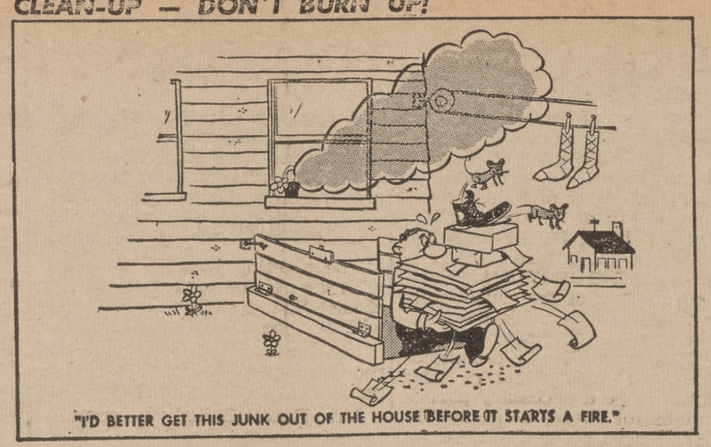
The survey included a Stanford University estimate of 429,000 Contra Costa residents by 1960 and a 1950 population of 303,000.

The county's school enrollment for 1960 is estimated at 71,644, in contrast to 46,922 in 1948.

CIVIL SERVICE

An examination for probational Civil Service appointments to the positions of Elevator Operator, salaries ranging from $2020 to $2350 per annum was announced by the Public Buildings Administration's Board of U. S. Civil Service Examiners. Information may be obtained at the Post Office.

CLEAN-UP — DON'T BURN UP!



"I'D BETTER GET THIS JUNK OUT OF THE HOUSE BEFORE IT STARTS A FIRE."

Captain Sandford Sez:

A well-known Lafayette lady whilst driving her automobile on Brook Street at Hough Avenue encountered two tiny little boys with a wagon and a dog, who were deeply immersed in a traffic transportation problem. In order to permit them to cross the road safely she stopped her car. In the middle of all this a man drove up at high speed, brought his car to a sudden stop and yelled out to the lady, "Automobiles were made to go. Why don't you step on it? Get going," etc. One maniac was evidently out of his pew, for he surely belonged on "Maniac's Boulevard."

Quotation from the Motor Vehicle Code of the State of California: "If you meet or overtake any animal or livestock, you must reduce speed or stop as may be necessary or may be requested by any person in charge of the animal or livestock. (Veh. C., Sec. 532.)"

Our traffic laws also give the persons proceeding uphill right of way over those coming down. Many of the people barging down the road on which I live, evidently don't understand this part of the law.

TWEET TWEET

The linnets in the ivy at our home are surely having a wonderful time, and their chirping and whistling make a very bright spot in our lives these days. The strutting of the little cockbirds with their brilliant red Spring topknots should give inspiration to some of us male humans. Their plumage is abundant and bright and glossy, which is more than I can say when I peek into the mirror and endeavor to drag a moth-eaten piece of white hair over the bald spot.

Re Kangaroos and their pouches etc., I have received the following letter.

TARONGA ZOOLOGICAL PARK TRUST,
SYDNEY, N.S.W., AUSTRALIA

Dear Sir:

With reference to your letter of the 24th ult. addressed to the Lord Mayor of Sydney, who has passed your communication on to me for direct reply:

SURPRISED?

A kangaroo can easily scratch anything out of its pouch with its paws if it wishes to do so. When a young one is about to be born and the milk glands are activated, the female kangaroo frequently licks out its pouch, and by this means, or by scratching with her paws, she can easily, as explained, remove anything she wishes from her pouch.

We are only too pleased to supply this information to settle your controversy.

Yours faithfully,
H. B. Brien, Secretary.

AT LONG LAST

(I can now begin again to sleep a wee bit nights).

Now that Spring is here many of us should devote some little time to becoming acquainted with the still rapid, though somewhat retarded growth, of our little community. Good-bye now.

The Keeps of Orinda Know What Happens When You Win on The Radio

By DORIS SAGE

The N. M. Keep family of Orinda used to be very skeptical of these radio give-away programs where apartment house dwellers get lawn furniture, country dwellers rate escalators and the unwary may be presented with a medium size elephant if the sponsors run out of the super collossal size.

They aren't any more!

Though not too interested in all this radio stuff, Mr. Keep was persuaded to accompany his wife, their elder son, Nigel and his wife, to the Dairy Belle sponsored Treasure Tunes broadcast at the Palace Hotel on Friday evening.

SHIP COMES IN

Mr. Keep, having the "misfortune" of being seated in a prominent aisle spot, was singled out as a contestant. Nonchalantly he gathered together five little words (no prompting, please) and named the prize winning tune "The Good Ship Mary Ann."

Came the deluge of gifts!

As far as Mrs. Keep could recall when contacted about the family good fortune, there was a $250 work shop saw, a week-end trip to Monterey, an orchid a week for a year, a dinner dance complete with champagne, at the Peacock Court, tickets to the Great Waltz, a series of dancing lessons at Arthur Murray Studios, house paint, lawn furniture (of some kind) venetian blinds for their house, a pedigreed cocker spaniel, perfume — and a dinette set Mrs. Keep almost forgot in the shuffle.

NOT MORE?

To be explicit, the family really doesn't know what makes up the entire list; they were too flabbergasted. Confirmation and orders for the prizse were due early in the week.

Nigel Keep, who has just finished his internship at Herrick Memorial Hospital, and plans to leave soon with his wife for his year's residency at a Cleveland hospital, will probably be accompanied by a pedigreed cocker spaniel.

The Keep's younger son, a student at Acalanes High, is expected to enjoy use of the workshop equipment, and may be urged to take advantage of the Arthur Murray dance lessons. That's as far as tentative plans go.

NOT PARTICULARLY

Since orchids and house paint don't seem to go together too well, Mrs. Keep said it looked like a busy year ahead getting alternate use out of each.

When questioned about past experiences in winning prizes, Mrs. Keep said they weren't "particularly" lucky, except that they won a car ten years ago in a limerick contest sponsored by the San Francisco Examiner.

Looks like just plain luck for Keeps!

Water-Filled Open Wells Found

Every community has found one or more open wells, gaping water filled holes waiting to repeat the recent tragedy of Kathy. Formal associations have even been formed to see that responsible persons cover these wells but most of the well covering has been done by neighborhood fathers and mothers.

The families in the Pleasant Hill Circle district were startled to learn from their children that an open 18 feet deep brick well was in a nearby vacant lot. To add to the danger, water was standing in the well at a sufficient depth to drown any of the neighborhood's 10 children.

Aroused parents donated lumber and Phil Molina boarded the seven by ten opening.

Legal steps required to get the well closed would have involved injunctions, etc., according to one of the parents, and getting the two by ten planks over the open well could not wait for red tape.

Lions to Elect Officers Tuesday

Lafayette Lions will hold its annual election of officers at a dinner meeting at El Nido Tuesday evening, according to Jack Pedder, president.

Al Burns of Alameda, candidate for District Governor of this area, will be guest speaker, his subject to be "Why I Am a Lion." Delegates to the Spring conference at Hoberg's where the new District Governor will be elected, will also be named at the meeting.

RIDICULOUS... Isn't It?

If you ever saw an ad like this you'd laugh right out loud. Yet, right now at employment offices throughout our nation, good, capable men and women are being denied good jobs because of one ugly word

DISCRIMINATION

Discrimination means, of course, that some people would like to prove that they are better than others, even though science (and religion) says they're talking through their hats. So they turn thumbs down on men or women who could do the company a lot of good, just because of race, religion or the part of the world their parents came from.

Anybody who discriminates against a fellow American because of race or religion is playing right into the hands of those who don't want Democracy to work.

America is proving to the world that Democracy is working here—and that it is working better every day.

For our own sake—for America's sake, we can all do these three things to help the cause of unity:

1. Accept—or reject—people only on their individual worth.
2. Don't listen to, or spread, rumors against a race, or a religion.
3. Speak up, wherever you are, against prejudice and work for understanding.

Remember—
THAT'S BEING AN AMERICAN

Lafayette Oaks Has Egg Hunt

Dressed in their Easter finery, nearly 40 boys and girls of the Lafayette Oaks area gathered at the corner of Hawhtorne Drive and Oak View Circle Sunday to participate in the annual Easter Egg Hunt.

First prize in the baby class went to Pamela Evans, daughter of Mr. and Mrs. Arthur Evans, second prize to Jackie Basye, son of Mr. and Mrs. Jack Basye. In the 3 to 6 year old class, first prize was a tie between Joan Hail, daughter of Mr. and Mrs. Emerson Hail and David Allison, son of Mr. and Mrs. Don Allison.

The children drew straws, and Joan was the lucky winner. Lynn Hail won first prize in the older group, and Gail Hanson and Bonnie Kimball tied for second. Little Robin Lindberg came out empty-handed, and was rewarded with a consolation prize.

Mrs. Everett La Franchi, Mrs. Don Allison, and Mrs. Urban Stark were in charge of the event.

Dramateurs Give Good Performance

By THE REVIEWER

The cast was well chosen, the performance was excellent, the scenery and costuming was carried out in perfect detail — but the play itself lacked punch.

The Orinda Dramateurs gave a splendid performance of "January Thaw" by Bellamy Partridge and William Roos Friday and Saturday nights at Acalanes. The story of the play was slow going, without suspense, or surprise climax. The cast made the most of the few funny lines.

Jonathan Rockwood played by Keene Pettengill and Mathilda Rockwood acted by Wirtabel Harris presented homey and convincing characterizations of the elderly couple.

The audience felt at home with the Gage family, because each member, well-suited to his part, gave an easy-going performance. Mother and father were played by Robert Anthonisen and Mona Inglis, and children were played by Judy Miner, Caroline Klitgaard and Carol Ann Rechtiene.

Country Club Egg Hunt

Orinda Country Club members, their children and friends, took part in a varied program of Easter activities at the Club Sunday. Hundreds of Easter eggs hidden about the grounds kept the children scrambling, and a program of races and games followed during the afternoon.

An Easter brunch served earlier in the day and a buffet dinner for all those who participated in the Easter activities rounded out the program.

New Books Listed For Library

"Guady Century," a colorful picture of San Francisco's first 100 years of journalism, when newspaper history was made by such figures as Ambrose Bierce, the De Youngs, William Randolph Hearst and Fremont Older, heads the new titles in a delivery of 95 books brought Wednesday to Orinda Branch Library from Contra Costa County Library headquarters in Martinez. The author, John Bruce, is City Editor of the San Francisco Chronicle.

Other recent books on California and the West in Orinda's collection are Caughey's "Gold is The Cornerstone," Paul's "California Gold," Muench's "San Francisco Bay Cities," Tavenner's "Seeing California," Arnold's "Sun in Your Eyes," descriptions of the Southwest, Peattie's "The Inverted Mountains; Canyon of the West," and Sheldon's "Northwest Corner; Oregon and Washington."

Ever popular books on hobbies include two new ones on photography, Sussman's "The Amateur Photographer's Handbook" and "U. S. Camera 1949," and an older book, Morgan's "The Leica Manual." Full of suggestions for Mr. and Mrs. Homeowner are such books as Barth's " Projects in Wood," Cobb's "Complete Home Handyman's Guide," Klock's "The Complete Home Decorator," Myer's "Plywood," and "What to Make," edited by Popular Mechanics Magazine.

Samples of new fiction are Cozzen's "Guard of Honor," story of a group of U. S. Air Force officers stationed in Florida, Douglas' best selling religious novel "The Big Fisherman," Hurston's "Seraph on the Suwanee," novel of a Florida "cracker" girl who marries above her station, Lewis's "The God-Seeker," Michener's "Fires of Spring," Wellman's "The Chain."

Orinda Branch Library, re-established this month in its new quarters in the Community Church building, now has some 700 books, about half of which are children's books. A complete list of the book stock may be consulted in the library, which is open from 2 - 5 p.m. Monday, Wednesday and Friday, with Mrs. E. A. Dawson in charge.

RETURN FROM TRIP

Mr. and Mrs. Garland Heinrici of 14 Los Dedos returned from a two weeks vacation trip to Chicago and Memphis.

Upon their return, they found their house occupied by both daughters and families for Easter vacation. The Easter guests were Mr. and Mrs. Richard D. Evans and daughters, Susan and Claudia, Los Angeles, and Mr. and Mrs. Robert L. Oas, Eugene, Oregon.

VISITORS

Mr. and Mrs. Fred H. King of 59 El Toyonal Road just said goodby to Mr. and Mrs. Ray Brunkow, who had been visiting here recently.

Bell Returns as Head of Park Pool

The Orinda Park Pool Board of Directors today announced the re-engagement of Donald Bell for the 1949 season at the Park Pool.

Bell is a graduate of the University of California where he majored in school administration and physical education.

He was swimming, track and football coach at Lodi High School and at present is the vice principal of the Alameda High School.

Mr. and Mrs. Bell and their two children live in Alameda.

This will be Bell's fourth season at the Orinda Park Pool. He will again hold swimming classes, two courses for the beginner's group, a course for intermediate, advanced and adult swimmers. These classes are given free of charge to the Orinda Park Pool members.

Jack Shriber, who graduated from the Alameda High School in 1947, has been engaged as life guard for the Orinda Park Pool for the season.

Shriber holds certificates from the Red Cross as life guard and water safety instructor.

He is at present a student at the San Francisco State College where he is majoring in Biological Science, Art and Physical Education. His father is Dean of Boys at the Alameda High School.

Models Listed for Fashion Festival

Models who will appear at the Festival of Fashions and Flowers at the Art and Garden Center Tuesday have been announced.

As an added attraction to this Spring event, Mrs. Jane Havens, Mrs. Eva Stewart and Mrs. Harold Oliver, dressed in gay nineties costumes, will ride through the gardens in a surrey-with-the-fringe-on-top. Riding with them will be a "pug" dog, one of a breed which was very popular in the '90's and has come back into fashion the past few years.

The Festival is presented by the Walnut Branch of the Children's Hospital of the East Bay and commentator for the afternoon will be Mrs. Calvin Nelson. Organ background music will be played by David M. Burgeson. Tickets may be obtained at the Center.

WALNUT CREEK STORES

The Walnut Creek stores will have models as follows: The Clothes Horse: Marion Green, Joan Green, Muriel Stephens, Mrs. A. L. Wynne Jr.; Tanya's: Mesdames Richard Nourse, Dana Hamlin, Charles Morey, Quentin Reynolds; Jo Ann's: Nancy Miller, Joanette Treadway, Nancy Johnson, Mary Van Voorhis, Dina Alter, Marilyn Hansen; Miss 'n Mrs.: Betty Curtis, Betty Fitzgerald, Jean Duncan; Steele's: Mrs. Wallace Gibson, Mrs. George Olmsted, Frances Woffington, Beverly Thomsan, and Mrs. Evelyn Robinson.

Milady: Mesdames Jack Benguerel, Charles Benoy, Edard Truxel. Children modeling from Lillian Jensen include Caren Dee Knight, Carol Lee Knight, Matt Connelly, Lani Sue Chamberlin; Klad-ezee: Mike Glenn, Gary Keane, Judy Nelson, Cindy Gartin.

LAFAYETTE STORES

From Lafayette, displaying fashions from Emma Lee's, will be the Mesdames Thelma Cochron, Ray Towers and Beulah Tames. Kiddietown's children's clothes will be worn by Gay Hansen, Judy Evans, Buddy Sekt and Susan Sekt. Hill 'n Dale models are Mesdames J. J. Dirick, F. M. Gregg, Frederick Confer, Stewart Dinwiddie, William Anderson; Guinevere's: Miss Marianne Malley, Mrs. Barbara Johanson, Mrs. Eugene Payne, Miss Ruth Maloni.

The Art and Garden Center's Costume Accessory shop will have articles modelled by Mesdames Robert Goodale, Ritchie Smith, Dick Week, William Witter, Lyle York Jr. The Children's Cottage, also of the Center, will have clothes worn by Dick Williams, Peter Williams, Donna Jean Kuhs and Linda King.

Nursery School Plans Dinner Dance

Moonlight terrace dancing to the music of Henry Gallagher and his 13-piece orchestra will be part of the evening's entertainment for those who enjoy dancing under the stars, when members of the Orinda Nursery School Association and guests gather at the Diablo Country Club May 28.

Alumnae and prospective members are invited to join the association members at this affair.

Instead of individual cocktail parties before dinner, it has been arranged that refreshments will be served at the club beginning at 7 o'clock with dinner at eight sharp and dancing from 9 to 12.

This is the only time during the year that the members of the Orinda Nursery School Association stage a fund raising affair. The proceeds annually are used to purchase needed equipment for the school and playground wheel toys.

The price for the dinner dance per couple will be $7.50 and tickets are available now from Mrs. G. W. Miller, Jr., general chairman, or from Mrs. Stanley Hunn, ticket chairman, and her committee members: Mesdames Robert Rochester, R. L. Shurtleff, E. H. Solinsky and D. B. Woodcock.

Victorian Garden Is Club's Project

Members of the Orinda Garden Club are hard at work on the Victorian Garden which will be their display at "California" the Spring Garden Show of 1949 which opens in Oakland at the Exposition Building 10th and Fallon Streets on April 26.

Characteristic design, planting and accessories will feature the dainty setting which will be located in the outdoor gardens of the world famous show. A lawn path with old fashioned planting will lead to a moss covered brick terrace while old fashioned shrubs will be set against tall fencing.

Mrs. William Fleager is chairman for the exhibit. Her committee includes Mrs. Henry Gentry, co-chairman; Mesdames E. F. Hockenbeamer, Leon Woolsey, R. H. Laney, Earl DeSoto, Eugene Shurtleff, Alden Macomber, William Kilgo and J. M. Rodwell.

Federalists Plan Informal Meetings

At the Saturday meeting of Acalanes Chapter of United World Federalists held at the home of Mr. and Mrs. Harry Sommer on Beechwood Drive, plans were made to hold informal, semi-weekly meetings at neighborhood homes starting April 25. Movies on world government will be shown followde by discussion by the group.

First informal gathering will be held at the home of Mr. and Mrs. William B. Freeman on Reliez Station Road Monday evening at 8 p.m. Anyone from that locality interested in attending is welcome and may call Mrs. Georgia Busch at Lafayette 2325 for further information.

Movies will be shown by Mr. Clarence Stone from Orinda, followed by a discussion led by Frank Smith of Lafayette. World government and the achievement of world peace will be subjects for discussion.

Plans were also made for monthly Sunday morning "chuck-wagon" breakfasts to be held at the El Nido.

GREEN CROSS FOR SAFETY

Canyon Callings . . .

By LORRAINE ATKINSON

WE HEAR THAT:

Easter egg hunts were much in evidence last week. The Bluebirds held a hunt for its members on Thursday, and on Easter Sunday the Claire Meacham's held one for all the Canyon kids in the fields behind their home.

Zelda O'Neil and her family spent Easter vacation visiting in Los Angeles, where a wonderful time was had by all.

The Hank Bierman's had a party at Canyon Inn recently, and all Canyonites that attended report having a very gay evening.

GUEST ?!

The Dunham and Blascovich boys spent a night camping on the fire trail last week-end. Dad, Hugh Dunham, was invited as a guest but we understand that he was chief cook for dinner and breakfast.

Mr. Kondla, familiarly known to all Canyonites as the "Dutchman" passed away recently. Deepest sympathy from all of Canyon is extended to his family.

Toby Irwin was home Easter week visiting his family.

The Joe Knipe's visited at the home of Joe's brother in Sunnyvale this week, and report him recovering from a recent accident.

BORGHESANIS TO L. A.

Mr. and Mrs. Lou Borghesani and sons were guests of Mr. and Mrs. Spence Hodgsen in Los Angeles during the Easter week. They had a very enjoyable time sightseeing and vacationing while there.

BRIDGE LUNCHEON

Mrs. Earl Bowbeer was hostess to a Forum Bridge section last Wednesday at her home. Present for the afternoon of bridge and for the delicious dessert were Mesdames Grace Stanley, Pearl McCoy, Mathews, Rosenberg and Sigrid Weber.

FOR HOLIDAYS

Mrs. Hulda Larson visited Mr. and Mrs. O. H. Larson at their home in the Lafayette Homelands over the Easter Holidays. She is Mr. Larson's mother and attended church with them Easter morning.

Water Safety Classes to Begin

Mrs. Karl Pape, new water safety program chairman for the area Red Cross chapter, has stressed the need for volunteer adults having valid life saving certificates to assist in the summer swimming program.

Three sessions of two weeks each, the first to begin June 20,, are slated to be held at Acalanes High School pool. Swimming lessons under the guidance of accredited instructors, are an annual Red Cross project which enables children and adults of this area to learn from the beginners stage of swimming and water safety up to the life saving award group.

Children must be at least 3½ feet tall to take part in the program. Youngsters of this heighth, or taller, may take part in any one swim session, more if the classes are not over-crowded.

Further details will be made public later.

Fashion Show Set for May 4

The lovely outdoor setting of the Harvey B. Lyon estate, Woodland Lodge, near Lafayette will be the scene of a Warm Weather Fashion Show on May 4. The show will be sponsored by the Women's Council to Booth Memorial Hospital. The proceeds will go toward furnishing the large sitting room at the hospital.

The party will start at 10:30 a.m. and earlycomers will be entertained in various ways with games and other amusement until luncheon is served at the barbecue pit buffet style. The fashion show will follow for all ages and occasions.

Mrs. Y. C. Soda is the chairman of the day assisted by Mrs. Henry J. Dean. Mrs. Nuenmacher is chairman of the fashions themselves.

PICNIC BIRTHDAY

Sequoia Park on Easter Sunday was the scene of a picnic birthday celebration for Mrs. Roland Nystrom. Present from this region were Mr. and Mrs. Herbert Mahl and children Shirley, Gordon, and David, Mr. and Mrs. Ronald Nystrom and Marjulie, Mr. and Mrs. Swen Forsberg, Phyllis Anderson, and David Bentley.

Friendship Circle to Sell Home Made Cakes, Pies

A sale of taste-tempting home made cakes and pies will be held Saturday at the Dime and Dollar Store by Friendship Circle. All members will contribute and are asked to have the things there by ten o'clock. Chairman of this event is Mrs. Lee Beatty.

Regular monthly meeting of the Circle was held at the home of Mrs. Z. Ballmer on Moraga Boulevard Wednesday night. The speaker of the evening, Mrs. Marie Bennett, was introducted by Mrs. L. W. Tacchella. Business was transacted and refreshments were served.

Garden Club Needs Props

Merchandise typical of stores of a hundred years ago is needed by the Diablo Men's Garden Club for use in their exhibit which is being prepared for the California Spring Garden Show to be held in the Oakland Exposition Building. Joe Linsler's committee is working hard on the exhibit, the theme of which will be "A California Store of 100 Years Ago"; and would like any merchandise which could be loaned, left in Dr. Feiler's office before Saturday.

The regular meeting of the club was held at the Las Palmas Restaurant in Walnut Creek, where the group heard an address by Norville Gillespie, of the Mutual Broadcasting Company. Mr. Gillespie spoke on "Flower Gardens."

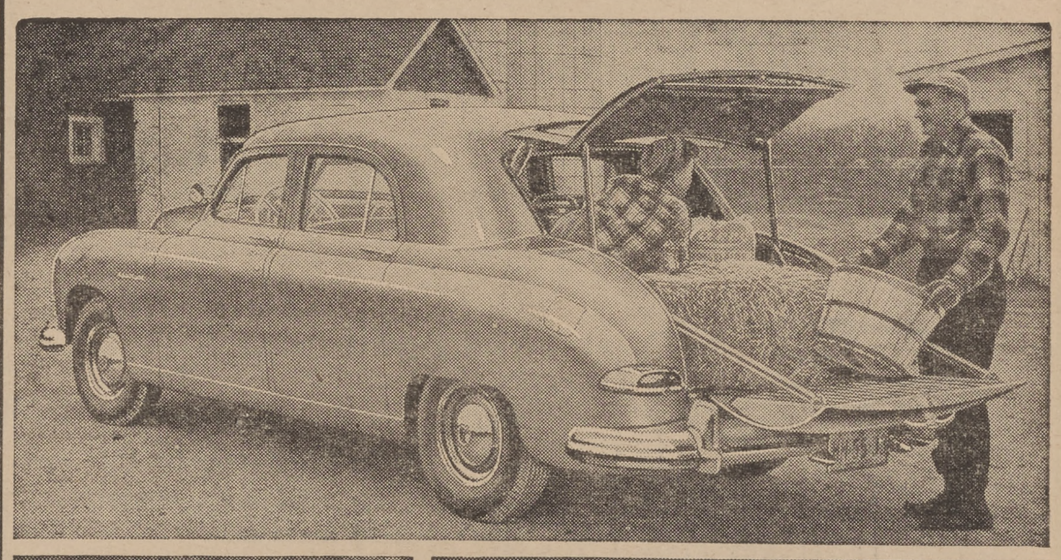
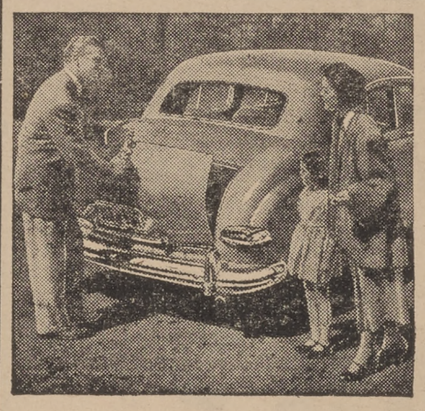
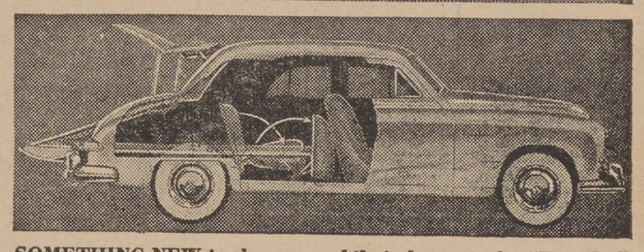
The Kaiser Traveler
From beautiful sedan to smart cargo carrier in just ten seconds . . .







SOMETHING NEW in the automobile industry is the "Traveler," a lower-priced '49 multi-purpose sedan being introduced by Kaiser-Frazer dealers. To all appearances it is a conventional four-door model. But the rear seat cushions fold away and the entire back opens to provide access to more than 130 cubic feet of cargo space. When not in use as a carry-all, the "Traveler" is a deluxe, six-passenger family sedan. The cutaway-view shows how the seat cushions and hinged rear panels function.

Acalanes to Hold Open House Monday

Extensive new additions to the plant of Acalanes Union High School will make their official debut to the public at the school's ninth annual California Public Schools Week open house Monday at 8 p.m.

Parents of eighth-graders and other prospective Acalanes students are asked to attend to become acquainted with their children's school for next year.

OPEN MEETING

Activities for the evening will start with an open meeting of the Parents' Club in the auditorium at 8 p.m. As the meeting has been expressly designed as the organization's part in the general welcome to the community, non-members were especially invited to attend.

In keeping with this theme, a short half-hour program displaying student talent in the music and dance departments has been scheduled. The school band under Oscar Busch, faculty conductor, and the boys' chorus directed by Bruce Handley will each offer a number. Dance Director Millicent Hamburger's modern dance corps will stage one of their popular short numbers.

PARSONS TO SPEAK

At the meeting a welcome and brief remarks on "the state of education at Acalanes" are expected from Neil M. Parsons, district superintendent.

Following the meeting an hour will be set aside for tours of the campus and of the numerous departmental exhibits and demonstrations to show the purpose, content, and techniques of modern high school education as offered at Acalanes. Expected to be of special interest to adults is the driver-education demonstration not only as an indication of the school's safety-education program but also as a self-test of their own reaction time and other factors in driving proficiency.

MOVIES TO BE SHOWN

Movies and other audio-visual materials used in modern instruction will be shown in the projection room for community guests. Modern commercial machines whose operation is being taught will be demonstrated by commercial department students, and students' handiwork and instructional equipment will be displayed by the home economics and the crafts departments.

Guests will inspect the new physical facilities placed in use during this school year.

NEW BUILDINGS

These include: the new science laboratories and the new social studies and English classrooms in the new fourth wing, the new shops beyond in the northernmost wing, the tennis courts, and the conversion of the former shop spaces into a combined girls' physical education indoor athletic area and auxiliary lunchroom.

Following tours of the campus, visitors, faculty, and students will gather in the cafeteria for refreshments as guests of the Parents' Club.

Donation Voted At 12-15 Meeting

At the last business meeting of the 12-15 Club, held at the home of Mrs. James Sullivan a liberal donation was voted to the Red Cross and to the Cancer Fund.

On Tuesday the group will go dutch for luncheon at the International Kitchen at Niles and then visit the nearby California Nursery gardens.

Club members who have not yet arranged for transportation for themselves and guests should phone Mrs. Arline Harrold.

Lions Hold Costume Party on 'Ladies Night'

A costume party marked the Lafayette Lions Club "ladies evening" held at Lafayette American Legion Hall on Saturday night. Bud Wood was chairman in charge of arrangements which included dancing and the serving of refreshments by Don Patton and Earl Creager.

Students Visit State Legislature

Seventy-five students of the Lafayette Grammar School eighth grades took part in a tour of the State Legislature and Sutter's Fort, Tuesday.

Accompanied by two of the parents, Mrs. A. Moss and Mrs. H. Landes, the eighth grade instructors, Mrs. Helen Corey and Horace Smith and Principal W. B. Ellis, the children were taken to Sacramento early Tuesday in a school bus and station wagon.

ASSEMBLY SESSION

The Assembly session was especially interesting to the students because of various Bay Area questions that were under discussion, according to Principal Ellis.

A side trip to historic Sutter's Fort, where the children explored, was followed by a picnic lunch eaten in the Fort grounds, and a return to the Capitol to visit the Senate.

STUDENTS INTRODUCED

The students were introduced to the members of both houses, and also had the pleasure of meeting Senator Miller and Assemblyman Condon, representatives of this district.

Mr. Ellis reported that within a few days a special souvenir of the trip, pamphlets containing the day's procedure in Assembly and Senate and a list of guests present during the day, will be received at the school for distribution to each child who attended.

Seafarers Plan Scenic Movies

On April 22 the Seafarers will cruise to the port of the Challis Gores, 44 La Vuelta.

After the serving of dessert at 7:30 and a brief business meeting, the group will be entertained by moving and still pictures of scenes throughout California and elsewhere, photographed and shown by Mr. Gore.

Hickoks Home From Motor Trip

Mr. and Mrs. George Hickok have just returned from a most enjoyable two weeks motor trip, which started with a short visit in Tuscon with Dr. George Binham and family who had come from Duluth to attend a medical convention there.

Leaving Tuscon the Hickoks motored to Grand Canyon where a three day snow storm kept them off the highway and made picture taking impossible. At Mt. Zion National Park, between showers, Mr. Hickok was able to get a few pictures. At Furnace Creek Inn, Death Valley they really enjoyed the warm sunshine. The desert cactus were only in bud — wild flowers were scarce as yet.

Around Las Vegas, Ryolite and Gold Fields George entertained his wife by stories of these old haunts of his when prospecting and working as an assayer back in 1904.

New Rotary Club Has Dinner Dance

The newly-organized Rotary Club of Orinda was formally admitted to membership in Rotary International with presentation of the official Rotary charter at a ceremony followed by a "ladies evening" dinner dance and entertainment program at the Diablo Country Club Wednesday evening.

The charter was presented to President Merle Brown by Rotary District Governor Al Tisch of Chico, whose address outlined the history and purposes of the Rotary movement.

"Shan" Shannon, Redding, Past District Governor of Rotary International congratulated the members of the new club, whose officers are: Merle Brown, president; Ben Randall, vice president, and Keene Pettengill, secretary-treasurer. Frank Olsen, Paul Pease and Victor Richit are directors of the new Board.

Matt Connelly, as master of ceremonies for the evening, presented two popular groups of songsters, the "Barbershop Quartette" and "The Uncalled Four" to spotlight the entertainment program.

Gordon Heche and his orchestra provided the music for the dance which rounded out the evening.

HUTTONS RETURN

Mrs. S. L. Hutton and children, Austin, Gail and Tommy, returned to their Terrace Way home Monday evening after an Easter Week vacation spent in Los Angeles.

CAUGHT IN A GAY MOOD are Dr. and Mrs. Dana A. Hamlin and their daughters (left to right), Sally, 6; Kathleen, 2; and four-year-old Martha. (Photo by Victorian Willson).

By VICTORINA WILLSON

Introducing three smiling young ladies — Sally, Martha and Kathleen and their charming parents, Dr. and Mrs. Dana A. Hamlin of Hidden Valley.

The Hamlins think that living in the Orinda-Lafayette area is like "having your cake and eating it too' for they are within a few moments drive of cosmopolitan San Francisco, and yet they live in a suburban area with every facility for country living.

Both the Hamlins attended the University of California, where Dr. Hamlin was a member of Xi Psi Phi, dental fraternity, and Mrs. Hamlin was an Alpha Chi Omega. Theirs was a "school romance." They met on the campus and married before Dr. Hamlin completed his schooling.

We suspect their settling in this area was partly due to Mrs. Hamlin, for she is the grand-daughter of James Hook whose father first came to Martinez in 1849. The Hooks have pioneered in the growth of Contra Costa County.

Dr. Hamlin's local practice was interrupted by three years service in the Navy and he was discharged in 1946 as a Lieutenant Commander.

Their hobbies: Dr. Hamlin admitted that although they enjoy facilities of the Orinda Country Club, hunting and fishing are his favorite diversions. With three girls, only one of school age, Mrs. Hamlin remarked that, at the present, her hobby is restricted to "girls," but she does find time to be an active member of the Walnut Branch of the Children's Hospital of the East Bay. Dr. Hamlin is a past president of the Lafayette Rotary Club and president of the Hidden Valley Improvement Association.

assessment district hereinafter established.

SECOND: The construction of sanitary sewers and appurtenances in accordance with said plans and specifications in the following easement in said Sanitary District as it and the proposed work in relation thereto is shown on Sheet 1 of said plans and specifications:

EASEMENT, (Parcel 18), described in deed from Orinda Country Club to said Sanitary District recorded May 12, 1948, file No. 18263.

The expense of said work and improvement hereinbefore described in Section 1, Second, hereof, shall also be chargeable upon said assessment district hereinafter established.

THIRD: The office of the Recorder referred to hereinabove is the office of the Recorder of the County of Contra Costa, State of California, and Official Records and file numbers hereinabove referred to are Official Records and file numbers of said Recorder. The letters M. H. and F. I. herein used refer to and mean Manhole and Flushing Inlet, respectively.

In the foregoing description, wherever right of way, easement, street, or other public way is described wherein work is to be done, it is the intention that said work shall also be extended so as to connect the same with the sewer work to be constructed nearest to said right of way, easement, street or other public way, and at the point in said proposed work where a manhole or other connection is shown on said Plans therefor, unless otherwise shown thereon. The width of all easements described by reference to a center line is measured at right angles.

FOURTH: Said work shall include the refilling, compacting and resurfacing of the trench in which said sewer and appurtenances are constructed.

SECTION 2. All said improvement and work shall be done of the sizes, dimensions, and materials and in the positions and locations as shown upon, and all in accordance with, the Plans and Specifications therefore heretofore adopted by said District Board and now on file with the Secretary of said Board, which said Plans and Specifications are hereby referred to and made a part hereof by reference.

SECTION 3: That in the opinion of said Board, said work is of more than local or ordinary public benefit, and said Board hereby orders that the cost and expenses of said work and improvement shall be chargeable and charged upon a district, which district is hereby declared to be the district benefited by said work and improvement and which is to be assessed to pay the cost and expenses thereof.

The exterior boundaries of said assessment district and the extent of the territory included therein are shown upon the map of said district approved and adopted by said Board on the 7th day of April, 1949, and now on file in the office of the Secretary of said Board, to which map reference is hereby made for a particular description of said boundaries and the extent of said territory included therein to be so assessed; saving and excepting therefrom the area of all public streets and other public ways included therein.

SECTION 4: That the proceedings for said work and improvement shall be had and taken under and in accordance with Division 7 of the Streets and Highways Code of the State of California. ("Improvement Act of 1911")

NOTICE IS HEREBY GIVEN that the Health Officer of said County of Contra Costa has recommended in writing to said Board that said proceedings for said work be instituted as a necessary health measure and said Board heretofore ordered said recommendation spread upon the Minutes of said Board and by Resolution adopted by the affirmative vote of four-fifths of the members of said Board found and determined that such necessity exists.

SECTION 5: That serial bonds shall be issued pursuant to Part 5 of Division 7 of said Streets and Highways Code (Improvement Act of 1911) to represent the unpaid assessments of Twenty-five Dollars ($25.00) or over for the cost of said work, said bonds to bear interest at the rate of SIX PER CENT (6%) per annum, to extend for a period of nine (9) years from the second day of January next succeeding the next October 15th following their date, and to be payable in annual installments, the last installment thereof to mature nine (9) years from the second day of January next succeeding the next 15th day of October following their date, said bonds and the interest thereon to be payable as provided in said Code.

SECTION 6: That Thursday, the 28th day of April, 1949, at the hour of 8:00 o'clock, p.m., of said day, and the meeting place of said Board, 1822 Mt. Diablo Boulevard, City of Walnut Creek, in the County of Contra Costa, State of California, be and the same are hereby fixed as the time and place, when and where any and all persons having any objection to the proposed work and improvement or to the extent of the district to be assessed, or both, may appear before said Board and show cause why said proposed work should not be carried out in accordance with this Resolution of Intention.

SECTION 7: That the Engineer of said District shall cause to be conspicuously posted along the line of said work and improvement, in the manner and form required by law, notices of the passage of this Resolution.

SECTION 8: That the Secretary of said Board shall certify to the passage of this Resolution and shall cause the same to be published twice, as required by law, in the Orinda Sun, a newspaper published and circulated within said District and hereby designated for that purpose by said Board.

SECTION 9: Said District Board does hereby direct its Secretary to mail notices of the adoption of this Resolution of Intention to all persons owning real property proposed to be assesed for the work herein described, whose names and addresses appeared on the last equalized assessment roll of the County of Contra Costa or as known to the Secretary, the contents of said notices to be as required by law.

PASSED AND ADOPTED by the DISTRICT BOARD of CENTRAL CONTRA COSTA SANITARY DISTRICT of CONTRA COSTA COUNTY, State of California, this 7th day of April, 1949, by the following called vote:

AYES: Members Smitten, Toland, Weill and Wadsworth.
NOES: Members None.

Your Garden IN LAFAYETTE AND ORINDA

BY CONSTANCE HANSEN

Next week the Oakland Spring Garden Show will be with us again, and I'm reminded of azaleas and rhododendrons, since the huge displays of these magnificent flowering shrubs are usually the backbone of the show, and everyone who sees them goes home filled with a desire to have some in his own garden.

With a little special attention to cultural requirements I believe it's possible to have good azaleas here even though the climate is not naturally so favorable to them as it is in the Bay Region.

The experts advise getting off to a good start with azaleas by buying good sturdy plants to begin with. The kind sold as florists' blooming potted plants are not so vigorous as the smaller plants to be had in four or five inch pots in a nursery, or better still, the plants which have been grown in nursery beds and whose roots have not been confined in pots. Potted plants should have the roots gently loosened before being set out in the ground.

PHILLIPS EXHIBIT

Charles Phillips of Oakland, who is known especially for his large exhibit of azaleas in the flower show each year, advises planting azaleas in a hole filled with coarse leafmold, As with camellias, care must be taken to see that the crown of the plant is not below the level of the surrounding soil, and that the drainage is perfect. After the plant is set, mulch well with an inch or so of pine needles mixed with peat moss.

Mr. Phillips prefers growing azaleas in pots, since each year his azalea garden moves to the flower show, and also because he knows that everything he puts in the pot will be used by the plant it's intended for. A good potting mixture is 1 part leafmold, 1 part peat, ½ part sand. A little garden loam may be mixed in for the larger plants.

Some growers plant azaleas in a mixture of pure peat and sand, and find that they do well for years if fertilized regularly. A good fertilizer is made up of ½ peat moss and ½ sheep manure, which can be mixed, or bought already prepared as Soil-tex. This is put on right after the blooming season, as a half inch mulch around plants in containers. A monthly feeding of Atlas fish emulsion, 2 or 3 tablespoons per gallon, may be given once a month during June, July, and August. Before applying any fertilizer be sure the plants are moist.

CARE OF AZALEAS

Azaleas like plenty of water and should never be allowed to dry out. Choose a location that gets plenty of light and a little sun, preferably the morning sun, either shaded by trees or a building, and one that is protected from wind. Frequent overhead watering not only helps to keep a moist atmosphere around them, but also discourages red spider and thrips.

They do not like to be packed in by heavy soil, so the plants should be lifted every two or three years and reset in a fresh mixture of leafmold, peat, and sand, and freshly mulched with peat and pine needles.

The most serious pest is the strawberry or primrose weevil, a small black snout-nose beetle whose larvae or grubs chew the roots and crown of azaleas and camellias, and also many herbaceous plants. The adult beetles chew scallops along the edges of the leaves of garden shrubs, but it's the grubs that do the worst damage, as they work underground, and one often has no warning of their presence until the wilted plant is seen, and then it's too late.

CONTROLLED BY BAIT

The primrose weevil is controlled by spreading apple bait, sold under various trade names such as Appo and Applex, at the time in spring when the grubs are changing over into the adult beetles, which is from now on through May. There are a number of other weevils whose larvae live underground, and which may be trapped by the same bait, such as the Fuller's rose weevil. Mr. Phillips recommends Chem-hex for use in azalea beds and potting soil for killing any grubs which may be there.

Azaleas needing trimming to keep in shape can have this done before the spring growth starts. A large plant may be renovated by severely pruning one half one year and the other half the next. Sometimes plants throw out long shoots which spoil their symmetry, and these should be cut back to conform to the rest of the bush. It is the nature of some plants, especially those on their own roots, to bloom very heavily one year and sparsely the next. Grafted plants are usually more reliable bloomers.

While the accent of the florists' interest has been on the large-flowered, so-called Belgian hybrids, such as vervaeneana and Albert and Elizabeth, according to Mr. Phillips, the smaller-flowered Kurume azaleas such as the bright red Hinodegiri, are the choicest subjects for garden display, blooming so profusely in their season as to completely hide the foliage.

WILL STAND SUN

Ward's Ruby, variously known as Algeria and Cherry Ripe, will stand more sun than most varieties, while Vivid has a weeping habit of growth that makes it especially suitable for planting where it can drape over rocks. There are too many different kinds of azaleas to go into in a short column, but as subjects for the shady garden they are well worth investigating.

Don't forget to take time out to visit the Oakland Spring Garden Show next week, preferably twice, once with a friend to share the experience, and once alone with a notebook.

Sparling Becomes Operator of Chain Drug Stores

After several months of preparation behind paper-masked windows at the site of the former Mickey Meyers store on Mt. Diablo Boulevard, removal of the "blinds" Monday revealed Mort Sparling as a two-drugstore man, with a new and modern Lafayette Pharmacy ready to open for business at this location.

According to Sparling, he plans to continue to do business at his original location which is several doors east of the Lafayette Post Office, as well as at the large and modern new store. An up-to-date prescription counter and dispensing room in the latter, as well as a new soda fountain and shelves stocked with medicines and toiletry articles, will furnish customers with the usual good service Sparling has offered in the past.

Residents will now pay their P. G. and E. and telephone bills at the new drugstore, a special service extended by the old pharmacy in the past.

For the convenience of customers in getting emergency prescriptions and other medicines, the older establishment will be open on Sundays.

Oriental Interlude Dance Planned

Diablo Country Club will be the setting for Oriental Interlude, a fashion show and dinner dance, this Saturday evening. The sponsoring group is the recently formed Santa Maria Branch of Junior Guild of Providence Hospital.

The fashions will be furnished by R. L. Fuerst of San Francisco and will be made of Soochow and Royal Brocades in modern styles.

Proceeds of this benefit will go to the Providence Hospital Clinic.

Music will be provided by Henry Gallagher and his orchestra.

Reservations are being taken by Mrs. Irwin Bornholdt, Lafayette 4684; Mrs. L. H. Kentfield, Jr., Orinda 2170; and Mrs. T. H. Lucas, Walnut Creek 4722.

Sun Ads Start Fads

"More good advertising ideas than in any other small-town paper we have seen — and we carefully scan lots of them."

Associated Services, a Portland, Oregon advertising firm which made that statement in a letter, indeed thought so well of an idea used by one of the SUN's advertisers that it bought the rights to syndicate the material. The rhymed ads of Beautiful Body Gavey — "SLOPPY JALOPY?", "PAINT FAINT?", etc. — attracted the attention of the firm, which purchased the idea and converted it into an advertising plan for auto body repair and refinishing shops in other towns.

Other SUN advertisers particularly mentioned in the letter from Associated Services were Lafayette Furniture, Bennett Supply and Got Rocks Gordon: "We saw only one of Lafayette Furniture's big-space, zany ads, but liked it. 'Keep It Clean,' which by the way is an inspired title for that particular column, is unusually and consistently good. Too bad from our standpoint that the idea does not lend itself to syndication, but the truth is that it is just too distinctive for our purposes. As to Got Rocks, don't know where you'll find an apter or more attention-compelling trade name. Indeed, nearly all the advertising in the SUN shows that someone has given careful thought to it. And that usually means wide-awake merchants."

State Garden Show in Oakland

Almost four acres of spectacular floral beauty will be on display when the 17th Annual California Spring Garden Show opens the Exposition Building doors in Oakland on Tuesday.

The floral show, one of the largest exhibitions of flowers in the nation, attracted over 120,000 visitors last year. Local garden clubs will have exhibits at this year's show as well as McDonald Nursery and Orchard Nursery.

The show will last from April 26 through May 1, according to Jack Schneider of Orchard Nursery.

Chambers of Commerce Hold Combined Meeting

Representatives of the Chambers of Commerce of Walnut Creek, San Ramon Valley, Lafayette and Orinda met for their monthly luncheon get-together at Lee's Drive-Inn, Monday noon. During these meetings various area problems are discussed, and notes are compared on civic undertakings.

Tax Levies Up 200 Per Cent

Property tax levies increased 200 per cent while increase of 80 per cent in taxable valuation and 141 per cent in population are shown for Contra Costa County in data for the present fiscal year compared with 1941-42, California Taxpayer's Association has announced.

Property tax levies for the county and the schools, cities and special districts in the county for 1948-49 total $15,886,021, compared with $5,303,467 for 1941-42.

The assessed value of taxable property in the county this year was given as $254,545,280 while for 1941-42 it was $141,630,520.

County population as of January 1 was estimated at 303,000 compared with 126,000 for January, 1942.

Special Mother's Day Program Planned

A Mother's Day program of prime interest to all families of Lafayette is being sponsored by the Choral Section of the Lafayette Forum. They are offering a full day of fun, frolic, entertainment and excellent cuisine for the entire family on Sunday, May 8, at the Diablo Country Club.

Included in the day's festivities will be golf, horseback riding, swimming, tennis, volley ball, and folk dancing led by the Acalanes Folk Dancers in gay, colorful costumes. Bridge may be enjoyed by those who prefer a less strenuous activity.

The beautiful, newly remodeled country club has been turned over to the group for the day, and there will be an attendant to care for children under twelve. The Lafayette Forum Choral will sing under the direction of Bruce Handley who so successfully conducted the Messiah last December.

The full day's program, including dinner will be $2.25 for adults and $1.25 for children. For tickets phone Mrs. Norman Ronald, Lafayette 4828.

Scouts Inducted At Ceremonies

Three new scouts were initiated into Troop 204 at ceremonies held at the Scout Cabin Monday evening before an audience of parents of the boys, brother scouts and leaders and committeemen.

Dick Peppen, Edward Neighbor and Philip Condit received their tenderfoot insignia in this ceremony, with their Dad's pinning on the badges upside-down till they can be officially righted by performance of the first good deed.

Captain Seth Blakeman conducted the induction rites, his first as new scoutmaster of the troop. Assisting with the impressive candlelight ceremony were assistant scoutmaster, Irwin Cohn; junior leaders, William Hampton and Russell Emery; senior leader, Bob Keller; patrol leaders, Charles Ostrom and Jack Luedemann.

Diamond Men To Meet Antioch

Seeking their fourth league victory, the Don diamond men, were scheduled to meet the Antioch Panthers at Acalanes Thursday.

Twirling for the Dons will be Dick Green of no-hit fame.

The Dons are playing under the handicap — minus three first-stringers: Bob Fox, Lynn Amason and George Cockerton.

Acalanes is presently tied with Alhambra, with three wins and one loss, in county league competition.

Dual Swim Meet Planned

Diablo Devils will invade the Acalanes Don swimming pool in a dual meet Wednesday at 3:30 p.m.

The Diablo team has been practicing in the Acalanes pool, since they don't yet have a pool of their own.

Lutheran Group Plan Outing

Wednesday evening, April 27 members of the Lutheran Brotherhood and their wives will gather to enjoy a corned-beef-and-cabbage feed put on by Chef Harry Sontag in Oakland. An evening of fun and fellowship will follow the dinner.

Anyone desiring to join the group for dinner ($2.00) may contact Rev. Obed Vold.

FIVE POLIO PRECAUTIONS ARE LISTED FOR PARENTS

Warning that the 1949 polio season is "just around the corner," the National Foundation for Infantile Paralysis today issued a list of precautionary measures to be observed by those in charge of children during the epidemic danger period which usually runs from May through October, reaching its peak during the hot, mid-summer months. The five easy-to-follow health rules for children are:

1. Avoid crowds and places where close contact with other persons is likely.

2. Avoid over-fatigue caused by too active play or exercise, or irregular hours.

3. Avoid swimming in polluted water. Use only beaches or public pools declared safe by local health authorities.

4. Avoid sudden chilling. Remove wet shoes and clothing at once and keep extra blankets and heavier clothing handy for sudden weather changes.

5. Observe the golden rule of personal cleanliness. Keep food tightly covered and safe from flies or other insects. Garbage should be tightly covered and, if other disposal facilities are lacking, it should be buried or burned.

The National Foundation also listed the following symptoms of infantile paralysis: headache, nausea or upset stomach, muscle soreness or stiffness, and unexplained fever. Should polio strike in your family, call a doctor immediately. Early diagnosis and prompt treatment by qualified medical personnel often prevent serious crippling, the National Foundation pointed out.

The organization emphasized that fear and anxiety should be held to a minimum. A calm, confident attitude is conducive to health and recovery. Parents, it said, should remember that of all those stricken, 50 per cent or more recover completely, while another 25 per cent are left with only slight after effects.

If polio is actually diagnosed, contact the chapter of the National Foundation for Infantile Paralysis serving your community. The chapter will pay that part of the cost of care and treatment which patient or family cannot meet.

CUT OUT AND KEEP FOR REFERENCE

Don Cindermen To Meet Diablo

The Don cindermen travel to Concord for a dual meet with Diablo next Thursday at 3 p.m.

Saturday, April, the Dons took a trip to Davis to participate in the Davis picnic in which in the "B" school division they came in third. Last year the Dons came in first.

Horsemen's Association Meets Tomorrow

Contra Costa County Horsemen's Association will hold its regular meeting tomorrow at their club house, Pacheco Adobe, in Concord.

Dick Fender, program chairman, has arranged for a special program by the Pacific Telephone and Telegraph Co., according to Mrs. Anne Kogelschatz, publicity chairman for the group.

FROM THE SIDELINES

By Coach Erwin Mattson

The Acalanes football schedule for 1949 has been completed and it finds the Dons with five home games and three away.

Normally the schedule shows four home and four away but inasmuch as Albany High doesn't possess a home field they are coming to Acalanes for the second consecutive year.

The game will be the opener on Friday night, September 16th.

EL CERRITO NEXT

Next comes El Cerrito there and in the number three spot it's Tracy at Acalanes. The league race begins with Diablo there, then it's Alhambra at Acalanes.

The Dons take to the road again when they meet John Swett in the only afternoon game at Crockett.

The season finishes with a bang when Antioch and Pittsburg come to town on successive Fridays.

BASEBALL RULES

One of the baseball rules which is very often misinterpreted concerns the case where a batted ball strikes the plate.

Time and again we have seen umpires rule "dead ball" when actually it is in play providing it goes into fair territory. All of home plate is in fair territory and the same applies to first, second and third bases.

A ball hitting any base is in play. A batted ball hitting home and rolling fair without striking a player in foul territory is in play.

HIT BY BALL

If the batter hits the ball in fair territory with any part of his body while running he is out. If he is in foul territory the ball is dead and out of play.

We note where plans are under way to form a county league for boys 14 and under. Plans call for the playing of games as preliminaries to the Pittsburg Diamonds.

Part of the plan is to draw additional fans to the Pittsburg game and to develop young players. Transportation is the big problem and there are many difficulties involved for so young a group.

It may work out but it seems that a much better plan would be to have local leagues.

PLAYING FACILITIES

The main difficulty to date has been the lack of playing facilities. Time along with necessity will probably take care of the situation.

BASEBALL FANS

Baseball interest is especially high in the area which is rather surprising in view of the lack of adequate playing area.

Future plans at the high school call for the development of a baseball field with grass areas on the acreage adjacent to the tennis courts.

Probably no recreational facility is receiving more public usage than the tennis courts which are full each Saturday and Sunday. Everything from rank beginners to top notch players can be seen in action any week and when the weather is favorable.

SPRING HERE

Another sure indication of spring is the week-end softball activity taking place on the ball field.

Last Sunday several dozen players were observed unlimbering their arms and taking their turns with the bat.

The Walnut Creek League will be getting under way next month and managers are busy getting players lined up and then the more difficult job of getting them in shape and ready for team play.

Acalanes Man In Semi-Finals

In the semi-final of the Northern California Tennis Invitational Tournament at Golden Gate Park Tuesday, Scott Zumwalt of the Acalanes tennis team was to meet Charles Hickox of Berkeley High.

Hickox is rated sixth nationally and second in the Berkeley team, which is the best in the United States.

Zumwalt and Bob Wallis were eliminated in the third round of the Northern California Interscholastic Tournament, held at Monterey, last week, in the group for players under 18 years old.

Wednesday the Don tennis team traveled to Tamalpais, to try for another victory.

Thursday at 3:30 the Dons went to meet Hayward High on the Don asphalt, according to Coach Al Winchester.

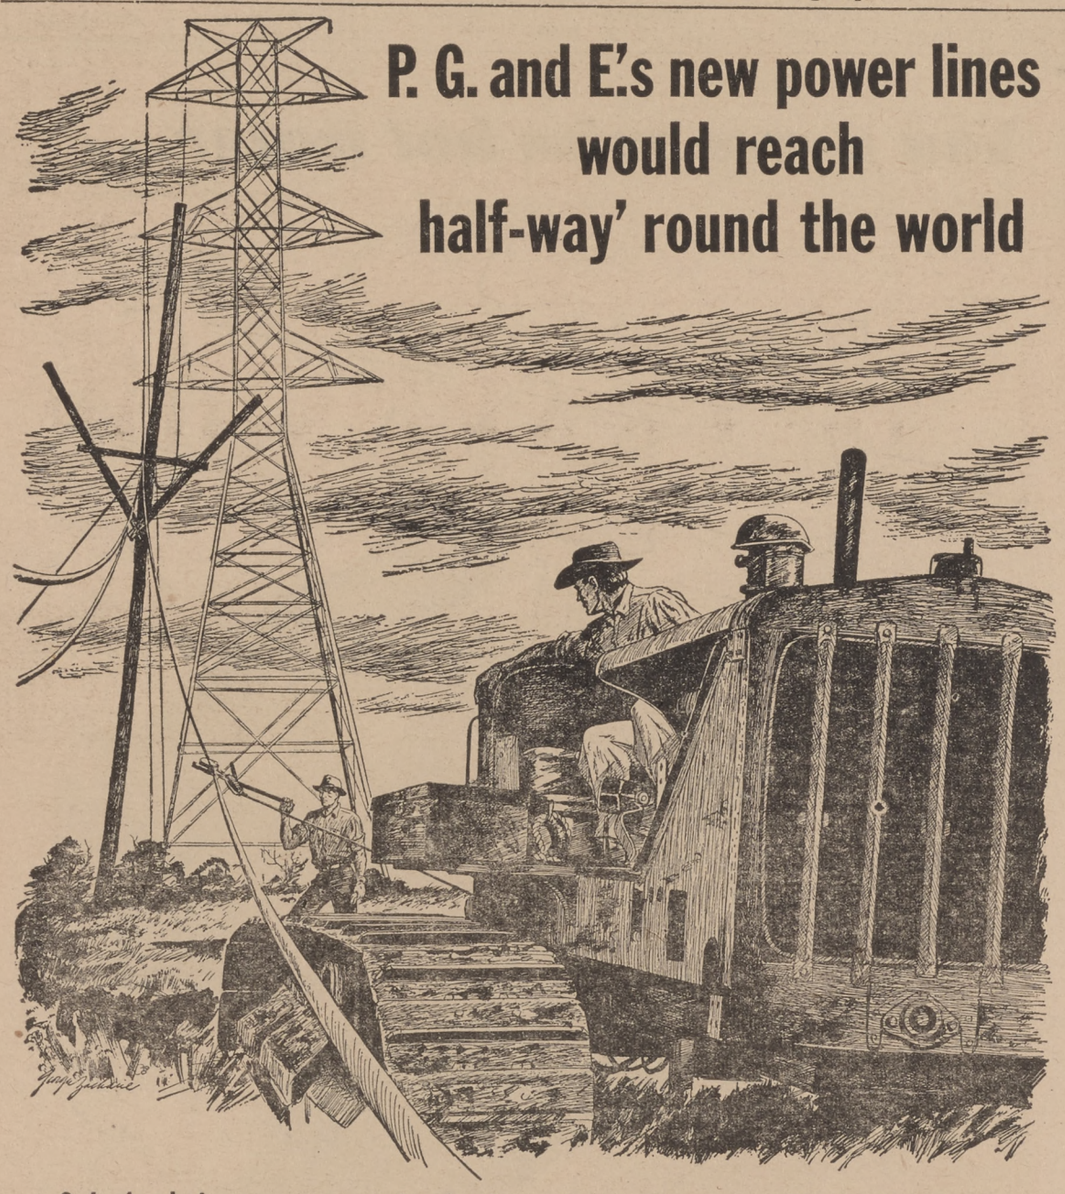
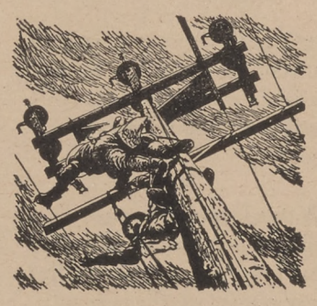
P. G. and E.'s new power lines would reach half-way' round the world



Swinging between towers and poles in Northern and Central California today are some 12,000 miles of new power lines . . . added since war-time building restrictions were lifted. And even more new lines are going up at the rate of 3,000 miles a year. That's three times as fast as prewar construction. All told, more than 50,000 miles of transmission and distribution lines are already on the job in the area we serve—America's largest inter-connected power network.

Helping speed the job are new methods and equipment like this radio telephone. With it an engineer can tell a distant winch operator just how much tension to put on the line as it is hoisted up and strung between towers.



These new lines and half a million new horsepower are serving California's expanding industrial and agricultural activities. Last year alone, more than 71,000 new electric customers were connected to P. G. and E's system.

For the record

P. G. and E. is investing millions in new power-producing facilities.

This post-war expansion program—America's greatest—is about at the half-way mark . . .

. . . and is keeping ahead of Northern California's growing power needs.

Work never stops on our power-building program

The foregoing schedule of prevailing rates of wages, and rates for overtime, Sunday and Legal Holidays, is based, unless otherwise specified, upon a working day of eight (8) hours.

Overtime and Saturday rates for Truck Drivers shall be at one and one-half (1½) times the normal hourly rate.

The first two hours overtime, after a normal eight (8) hour day, for Cement Finishers shall be at one and one-half (1½) times the normal rate and further overtime shall be at double the normal rate. Saturday work for Cement Finishers shall be at one and one-half (1½) times the normal rate for the first eight (8) hours worked and at double the normal rate for all further time worked on Saturdays.

NOTICE IS ALSO HEREBY GIVEN BIDDERS that it shall be mandatory upon the contractor to whom the contract is awarded, and upon all subcontractors under him, to pay not less than said general prevailing rates of per diem wages, as above listed, to all laborers, workmen, and mechanics employed in the execution of the contract.

Before submitting proposals, the bidder shall be licensed in accordance with the provisions of Chapter 9, Division III, of the Business and Professions Code, Chapter 37 of the Statutes of 1939, as amended, of the State of California, which provides for the registration and licensing of contractors.

Each bidder must submit with his proposal a statement of his financial responsibility, technical ability and experience on the form to be furnished prospective bidders, and a statement as to whether the bidder is an individual, a partnership, a joint venture, or a corporation.

Each bidder shall submit with his bid, on the form provided, the name and address of each subcontractor, including the principal suppliers of materials, and the portion of the work which each subcontractor will do. If the contractor fails to name the subcontractors in his proposal, he shall be deemed to have agreed to perform such portion of the work himself and shall not be permitted to subcontract said portion of work without previous written permission of the Sanitary District Board.

ALL PROPOSALS or BIDS must be delivered to the undersigned Secretary of said District Board at its office at 1822 Mt. Diablo Boulevard, Walnut Creek, California, on the 28th day of April, 1949, up to the hour of 8:00 o'clock p.m., on which day at the hour of 8:15 o'clock p.m., in said office of said District Board said PROPOSALS or BIDS shall be publicly opened, examined and declared, and each PROPOSAL or BID must be accompanied by a check certified without qualification by a responsible bank, payable to Central Contra Costa Sanitary District for an amount not less than TEN PER CENT (10%) of the aggregate of the proposal or by a bond for said amount and so payable signed by the Bidder and two Sureties, all as prescribed by law.

BY ORDER OF THE DISTRICT BOARD, CENTRAL CONTRA COSTA SANITARY DISTRICT.

Young Folks Give Sunrise Service

On a hillside above the Community Church between a background of oak trees and a field of buttercups the young folks of the Pilgrim Fellowship and Orinda residents numbering about 60 met for a Sunrise Easter service.

Jim Hall's trumpet call to worship sounded over the valley and hillsides. Robert Wickman opened the service with appropriate words which were followed by a period of meditation led by Roger Dunn. The reading of the Easter story from the Gospels was beautifully done by Joanne Willits and Sally Fleager.

Jim Jacobus gave a fine reading of the beautiful prayer of St. Francis of Assisi and led the group in the Lord's prayer.

After the service 20 of the youngsters met at the home of their leaders, Fred and Mildred Twining, for an Easter brakfast of pineapple juice, scrambled eggs, hot cross buns and chocolate. Assisting the Twinings were Mr. and Mrs. Emil Wickman.

After next Sunday's regular seven o'clock meeting, the recreation period will be under the leadership of Mrs. T. D. Sanford who will teach the group some new folk dances.

Church Guild Holds Meeting

Evening Section of the Women's Guild of the Orinda Community Church held their April meeting at the home of Mrs. Robert Brown, 9 Orchard Court. The president, Mrs. A. D. Henry, presided; devotions were led by Mrs. W. H. Hoecker.

Following the business meeting, the Guild was very pleasantly entertained by the Women's Choral Group of Orinda, directed by Mrs. Mary Elizabeth Tomme. The chorus sang five numbers. Then Miss Janice Comstock, a student at Acalanes High School, played three compositions on her flute. Miss Comstock was accompanied by her mother, Mrs. Esther Comstock.

Mr. Robert Brown gave a demonstration at the organ, explaining how an organ works. The group then sang several songs.

Refreshments were served by the co-hostesses, Mrs. Arthur Bowman, Mrs. Ken Hunter and Mrs. William Thurston.

Next meeting of the Evening Section will be held on May 3 at the home of Mrs. John Ogden, 19 Piedmont. Co-hostesses will be Mesdames Charles Blue, George Mulligan and Clinton Easterbrook.

Sunrise Service Well Attended

The sunrise Easter service held last Sunday on the hill above the Community Center was well attended by ambitious Orindans who rose early for the 6:30 hour. Young people who assisted in the conduct of the service are Robert Wickman, Jim Hall, Roger Dunn, Joanne Willits, Sally Fleager and Jim Jacobus.

Sponsors Fred and Mildred Twining were hosts to the young people at breakfast afterward. At 11 o'clock the Orinda Theatre was completely filled by Easter worshippers who gathered under the sponsorship of the Community Church. Special pleasure was expressed at the Hammond organ which lent a churchly atmosphere, and at the superb music sung by both adult and junior choirs. Attendance registration showed the presence of many persons from other portions of the County and from the other side of the tunnel.

New Residents Move to Orinda

With Spring, Orinda can boast of the new crop of residents blossoming out in the area.

Now labeled Orindans are: A. R. Anderson and Leslie Harris of Moraga Via; G. F. Costello and J. R. Anderson of El Camino Moraga; George Andrada and Allen Ayres of Overhill Road; A. Hansen and R. Hansen of Acacia Drive; R. M. Wislon and the Elwood Wright Jrs., of Orchard Road; C. W. Brown of Abbott Court; George Culp of Miner Road; A. J. Hull of La Plaza; Max Crall of Stanton Avenue and J. Vander Haeghen of Valley View Drive.

ALL AROUND ORINDA

WITH THE ROUNDER

FRANK DOMINGO is home again recovering from that accidental shooting that sent a 30-06 bullet through his leg. Ray Kyle, sub-chef at a local dine and wine spot who did the accidental shooting when the rifle got stuck in the scabbard, is recovering from the shock too. No serious casualties.

And local vet, DR. JOE LORBER, is a man who has no professional jealousies. Flew one of his patients recently to Vallejo to have another vet trim his ears. Not the doc's — the LEIGHTON DE MAEYER'S young Doberman.

RINGS THE BELL

DON BELL, we hear, will return to the Orinda Park Pool this coming season to again conduct swimming classes and lead the Park Pool to a swimming triumph over the Country Club.

Sometime in the distant future you may be able to pick up a copy of Vogue or Harper's Bazaar and see the face and figures of two of our local gals smiling at you. KAREN TYNES and SHIRLEY McANICH are spending their spare time studying modeling.

FAMILY DEAL

Understand that those kids who said the Oldsmobile convertible was JOAN's were laboring under a misapprehension, because father LEON WOOLSEY reports that the car belongs to the family.

JACK VS. HUGHIE

And returning to that "Winchester House" competition between JACK and HUGHIE. Jack paved his 40 feet next to the Casa a couple of weeks ago. And now we hear that Hughie is thinking of installing turn-stiles in the Orinda Store. Boys, can't you leave things alone long enough for us to get acquainted with them?

HERE'S MIKE AGAIN

And poor MICHAEL MURPHY — it shouldn't happen to a dog. Out Saturday night celebrating the success of "January Thaw" — and riding JIM KEILTY, the director, home to Berkeley. And arriving home himself around five in the A.M. — and up again at seven to rush down to the Crossroads and supervise the relocating of his office 50 feet to the North of its previous location.

And the next day moving all the Dramateurs' equipment from Acalanes High — equipment such as chamber pots and ox yokes and antique furniture. No wonder he was so doggoned glad that Monday was his last days as Dramateur prexy.

Sudden thought — will the new president of the local scene stealers be as adapt at gathering chamber pots as Mike was? It's a big order NORMA. But maybe "B" BETZ can give you an assist.

YUK, YUK!

And we think the funniest event of the past couple of weeks was KEENE PETTENGILL having one heck of a time trying to remember whether his political leanings were Democratic — or Republican in the Friday night performance of the Dramateurs' "January Thaw."

And FRED BECKNER telling us that he hasn't had a drink since he found his name on the front page of the SUN last week.

MOVING AWAY

We hear too, that CAROLINE KLITGAARD and her family are moving next week to Alameda. What'cha trying to do? Prove that the Rounder is wrong when he stated that those "doggoned Orindans just won't move away?"

GOLD & FISHING

The VERNE KENNEYS, formerly of Marston Road and now liquor dispensors in Nevada City, were around the Crossroads last week. Verne says that while he fishes, his wife pans for gold. And darned if we didn't forget to find out who was the most successful.

ORCHIDS & STUFF

Saw the Dramateurs' presentation of "January Thaw" last week end. The best they've done in a long while. We thought it was exceptionally well done and that KEENE PETTENGILL and MONA INGLIS were excellent with BOB ANTHONISEN and WIRTABEL HARRIS very good.

But to single anyone out of the cast is really unfair because everyone in the play did a great job. JUNIOR and SIS, the stage struck pigs, apparently enjoyed their parts so well that they scarcely oinked. But the kids who attended the play got quite a bang out of them.

AND HAMS

Those hams that Keene Pettengill carried across stage in the play,incidentally, were real. NORM KETSDEVER loaned them for the occasion — and sold them this week. Wonder who bought them. It isn't everyone who can boast of eating ham that took part in a stage hit.

THE MAYOR

Overhead Orinda's "Mayor" GEORGE BROCKHURST calling down one of the Red Cross Drive volunteers. Seems no one had called on him for his contribution, and George wanted to know why.

Bummy Bumgarner leaves this week-end for Long Beach with the Uncalled Four quartet. Singing in the Civic Auditorium in Long Beach with some 25 or 30 other Barbershopper quartets — sort of a preliminary warm up for the contest coming up when the best Barbershop quartet in America is chosen.

MEET THE PREXY

NORMA BETZ was elected the new prexy of the Dramateurs last Monday night. And our prediction that the organization would wind up with an all female executive board proved correct. And they went right to work to. Understand that the first order of business is to get someone to lecture and demonstrate on the art of make-up. And the next play — "Little Women?"

Remember that give-away program that CLINT SHERWOOD is MC'ing for radio station KCBS — called Treasure Tunes? Well, last Friday night the jack-pot was won by NORMAN KEEP — of 370 El Toyonal, Orinda of course.

VACATION COTTAGE

Mr. and Mrs. Jesse McMillan enjoyed three days of their Easter vacation in their vacation cottage at Mount Herman in the Santa Cruz mountains.

PLAN FISHING TRIPS

Marian Fee's sister Bettye and her husband Marshall Haywood Jr. of Chicago will spend the first week of May at the Fee home. All are looking forward to some good fishing trips.

BRIDGE CLUB MEETS

The afternoon bridge group of Orinda Mothers Club met on April 15 at the homes of Mrs. Arthur Bowman and Mrs. Lance Barden. Those playing were the Mesdames Fred Theile, Clarence Betz, Richard Tharp, Lance Barden, Robert Muse, Donald Krotz, Keene Pettengill, John Wassen, C. A. Winrod, Harper Wright, John Dorr, Henry Harris, Arthur Henry, H. A. Haskell, William Brailsford, Claud Zamlock, Claud Hazlett, Muriel Hansen, Victor Richit and E. W. Druhe. Next meeting of the bridge club will be on April 22nd.

FAMILY DINNER

Mr. and Mrs. E. T. Meakin were the hosts for a family dinner Easter Sunday. Their son Edgar Meakin, wife and two sons, their daughter and husband, Mr. and Mrs. W. H. Mordy, and their youngest daughter and husband, Mr. and Mrs. W. W. Lobdell and their two children made the occasion a very happy one.

VACATIONS

Dr. and Mrs. Jack Gompertz and a party of friends spent the 13th, 14th and 15th of April at Yosemite. Mr. and Mrs. H. W. Martin, also of Orinda, spent the same three days at the Sonoma Mission Inn.

EASTER PARADE

There was quite a turn out for the Easter Parade on Sunday morning. Don't tell us that you missed it. We admit that it was a bit unusual, starting outside the Orinda tunnel and ending about an hour later at the same place, but it was interesting. Two mother pigs and all their little ones put on quite a show.

MOVING DAY

I think that Orindans were a bit confused the other day when they noticed the little walk and the grass, but no Wadsworth and Murphy's Real Estate office. I guess they just became tired of the same old location. What with the new hardware store location, they just had to move. If you look very hard, you'll find them about a "few" yards to the left.

VISITORS FROM OHIO

Mr. and Mrs. E. E. Capell have been entertaining Mr. Capell's parents from Dayton, Ohio, for the past few weeks. They just returned from a wonderful trip all through the North. They left on March 26 and returned on April 11. The parents, Mr. and Mrs. W. F. Capell, have enjoyed every minute of their stay here in California and rather hate to say goodby.

County Slashes Relief Grants

Board of Supervisors, acting on the recommendation of W. G. Golden, County Social Service Director, on Monday approved a twenty-five percent reduction in all County General Assistance grants for the remaining months of the fiscal year.

According to Golden this drastic action was necessitated by the unprecedented demands being made on his Department for financial assistance under the County aid program. To meet the cost of this program for the current fiscal year, the Board of Supervisors last year appropriated the sum of $810,000. Because of the great increase in unemployment during the winter months, this fund is rapidly approaching depletion, and a substantial operating deficit is a certainty without this arbitrary cut.

ALL TIME HIGH

It was pointed out by the Social Service Director that expenditures for this program reached an all-time high in March with a total in excess of $100,000 being expended. To emphasize the seriousness of the problem, it was stated that for the entire fiscal year of 1944-45, the sum of approximately $36,000 was spent in the County aid program. At the rate of expenditure experienced in March that sum would pay the bill for ten days only.

Golden said, "Regardless of the causes of the development of this problem, which are fairly deep-seated and generally known this County is forced to realize that there is a limit beyond which we cannot go, and I believe that that limit is at this time pretty clearly indicated. It is highly possible that with the coming of better weather conditions and the reopening of agricultural activities, considerable reduction will be experienced in the number of applications received, but we haven't the slightest assurance that this will occur. While on a national basis, the economic picture appears to be somewhat more favorable at this time, this County has not since the war followed the national pattern, or even the State economic pattern. Even during the period in recent months when this State generally was enjoying almost full employment, this County still had many hundreds of unemployed workers, a large portion of whom form a material residue of those who became unemployed at the close of the war and remained here as legal residents of this County."

90% IN RICHMOND

It was stated that in excess of ninety percent of the total General Assistance caseload of the Department is concentrated in the Richmond area. Here, because of relatively low-cost public housing facilities, hundreds of families have found it convenient to remain in the County rather than to return perhaps to the State from which they came. A recent survey indicates that more than forty percent of all employable persons residing in the Richmond area are employed outside the County when they are employed. Thus, this County must be concerned not only with the economic health of Contra Costa County, but with that of Alameda, San Francisco, and Solano counties. "In other words," according to Golden, "we act as the bedroom of all of the Bay counties."

The reduction in grants will be made effective May 1 on active cases in which the grant is in the form of cash, and earlier than that date in cases in which aid is granted in the form of authorizations. It was emphasized by Golden that this revised policy will in no way effect those persons receiving Old Age Security, Security for the Blind, or aid to Dependent Children. These programs are administered in accordance with Federal and State requirements.

Ministers Form Association

Lafayette and Orinda have now an organized Ministers' Association, including the pastors of all Churches in the two communities. Rev. C. L. Nixon has been elected president and Rev. Harry E, Shaner, Secretary of the organization.

At the last meeting a week ago, plans were discussed for occasional United Sunday evening meetings of popular interest, for cooperative Released Time Classes and for a united summer picnic for families of all Churches. The Churches will present a united front in good works.

Oak Springs Cleans Up Sunday

This Sunday, Oak Springs will have clean-up day. All the association members are to put out old tin cans and papers, stacked neatly in bundles. Mr. Monlux and Mr. Gordon will be around in trucks to pick them up.

Theme of Sermon to be 'The Controlling Image'

"The Controlling Image" is the subject of Rev. Fred Morrow's sermon at Orinda Community Church next Sunday morning at 11 o'clock. The church's excellent choir under direction of Mary Elizabeth Tomme will sing, with Mrs. C. P. Baker at the organ. meets at 9:30.

IN NEW YORK
